This initial series (1st of 4) confronts our post-truth world, where there are few things more important than understanding truth and having the ability to communicate truth with love and humility. This study will examine truth, how we discover it, communicate it, and whether or not it is absolute.

Sister-Church-Events:

***Join us for a special seminar at City Alliance with Ron Walborn where you'll learn what the Bible says about spiritual gifts and how we can discover, develop, and activate them with the incubator model. This will take place on Saturday, March 4, from 9am-12pm. Cost is \$15. Register today by going to Cityalliance.org/gifts.

***Fairlawn Alliance is hosting a Movie Night with our district's IWs from Africa, Steve & Alace Straw, on Sunday, March 19th from 6-8pm. A documentary exploring faith, passion and how hope emerges from tragedy, *Ends of the Earth* weaves together true stories of Mission Aviation Fellowship pilots - past and present - who strive with missionaries and local believers to take the gospel to the most remote places on earth.
