

Jesus is our Savior

Introduction: Jesus' death on the cross was for us and both voluntary and necessary. This morning we will look at why He had to die and what His death accomplished.

Romans 3:21-26

What does salvation mean?

I. What it saves us from.

- A. It takes away the guilt of sin.
- B. Saves us from the wrath of God.
- C. Delivers us from the curse of the law.
- D. Delivers us from eternal death.

II. What salvation brings to us.

- A. It brings the forgiveness of all our sins and entirely removes them.
- B. It brings us *justification* in the sight of God so that we stand before Him as *righteous* beings.
- C. It brings us into the favor and love of God and secures us full acceptance in the person of Jesus.
- D. Gives us a new heart.
- E. Salvation brings to us eternal life.

Closing thoughts: 2 Corinthians 6:1-2

As God's co-workers we urge you not to receive God's grace in vain. ² For he says,

***"In the time of my favor I heard you,
and in the day of salvation I helped you."***

I tell you, now is the time of God's favor, now is the day of salvation.
